Special Meeting Minutes
October 11, 2010
Calmar City Hall**

Mayor McCasland called the special meeting of the Calmar City Council to order at 6:00 P.M. at Calmar City Hall. Present were: Anderson, Kleve and Huinker. Also present for all or part of the meeting were Lance Peters, Junior Boyer and Bob Penrod.

The city group health insurance plan was discussed. Bob Lentz had presented various plan options at the meeting on October 4, 2010. It was stated that a group plan must have all members participate. After much discussion the members agreed to select the Alliance Select JNN/T97 plan and that all members must participate in at least a single plan. Various ideas were discussed to compensate the people for the 75% of a family plan that the cities pays. The council instructed the clerk to contact Bob Lentz to get the plan in effect as soon as possible and to check into the cost of dental insurance. Larry Huinker will work up a proposal for compensation of the 75% of the group insurance premium.

Mayor McCasland declared the meeting adjourned at 7: 50 P.M.
