

**CALMAR CITY COUNCIL
Special Meeting
Friday, January 13, 2006
4:00 P.M.
Calmar Depot**

The special meeting of the City Council of Calmar, Iowa, was held at the Calmar Depot on January 13, 2006, beginning at 4:00 p.m. with Mayor George Willis presiding.

On call of the roll, the following Council Members were present: Karen Kleve, Tim Vondersitt and Dave Zweibahmer. Absent: John Patrick and Al Shindelar.

Council Member Vondersitt moved that the agenda for the meeting, as posted by the clerk be approved. Seconded by Zweibahmer. Carried unanimously.

Discussion was held regarding the water treatment project and the control modifications. Also discussed in length was the accountability of the city engineer regarding this and other projects. Council and Mayor felt that there were way too many change orders and that the engineer should have included them in the original proposals. Also discussed were the fire station roof and the bids comparing the flat roof to the pitched steel roof. This will have to be reconsidered as the bid for the flat roof was for the whole fire station and the pitched was just for the part where the fire trucks aren't housed.

Council Member Vondersitt reported that he had received gone to two places and received estimates valuing the handgun at \$ 250.00.

Moved by Vondersitt, second by Zweibahmer to adjourn at 5:15 P.M.

**Michele Elsbernd
City Clerk**

**George Willis
Mayor**
