A MESSAGE FROM THE MAYOR AND CITY COUNCIL REGARDING THE

Calmar Wastewater Treatment Plant Upgrade

The City of Calmar's wastewater permit has expired and as a result we are being forced to upgrade to current EPA/DNR standards. We were provided a time frame by the DNR to complete this upgrade. Letters were written to all state and federal senators and representatives along with the governor and DNR head Chuck Gipp stating our reasons why we felt we were being forced to upgrade when we didn't think it was necessary. The City of Calmar also submitted an 83 page Disadvantaged City Application in an attempt to delay the project so we won't have a payment due on the new facility until the last payment is made on the current facility in 2021. We were granted this status. We have also applied for a CDBG (Community Development Block Grant) to assist with a small portion of the cost. The most we could receive is \$ 300,000.00. We have not heard if this grant has been approved. If we are not funded during this round of funding we will submit the application again. The City has applied for a State Revolving Loan to finance this project. When the state is involved, we were required to retain the services of a qualified Financial Advisor. This advisor determined what the rate schedule needs to be to pay off the \$ 240,000 yearly payment on the new facility. As a result the city will be implementing the first phase of a sewer rate increase after the ordinance is passed and published. The increase in sewer rates will be \$ 7.50 per month. The increase is likely to go into effect with the October 15th bill.

Again, we have no option but to upgrade our plant as required, this is not what we WANT to do but what we HAVE to do.

Does Your Dog Bark?

If you have a dog maybe you don't even hear when it barks, you are used to it..... but your neighbors DO hear the barking. We have had numerous complaints recently about barking dogs. One dog in a neighborhood starts barking and then there is a chorus of vocal dogs. This is disturbing to some. Our code of ordinances states...

55.08 ANNOYANCE OR DISTURBANCE. It is unlawful for the owner of a dog to allow or permit such dog to cause serious annoyance or disturbance to any person or persons by frequent and habitual howling, yelping, barking, or otherwise; or, by running after or chasing persons, bicycles, automobiles or other vehicles.

FALL REMINDERS!

PLEASE be a considerate neighbor, and a good citizen—do not rake or blow your leaves into the street. They'll just blow into your neighbor's yards and/or clog up the storm water drains.

BURNING of yard waste IS allowed

You can burn from September 15th thru November 15th ONLY and between the hours of 8:00 A.M. and 6:00 P.M. No burning on the blacktop or hard surface of any street or alley or in curb & gutters. Before you burn, check the wind speed and direction and be considerate of your neighbors.

Remember to trim your trees to a height of no less than 15' above the surface of the street and 8' above the surface of the sidewalks. Take a look at the trees in your yard or boulevard and PLEASE take care of getting them trimmed. Low hanging limbs can damage busses or trucks that drive or park on the streets. Winter is coming and ice and snow will affect the height also.

The yard waste site is available for grass clippings, leaves, tree limbs, walnuts, apples etc. Please note that there are separate places for the tree limbs and the items that can be composted.

THANKS TO ALL WHO DONATED TO OUR FLOWER FUND THIS YEAR

Paul & Barb Posivio	35.00
Tom & Mary Welch (in memory of Art & Lillian Rolfes)	150.00
Kevin & Diedra Kuhn	100.00

P.O. Box 268
Calmar, IA 52132

Calmar Fire & Rescue received our new Tanker on July 31st it replaced our 40 year old tanker. It is built by Midwest Fire out of Luverne, MN. It has a 2017 Freightliner Chassis with a all 2000 gallon poly tank on it with all stainless steel piping and 750 gallon per minute pump so there shouldn't be any rust problem.

WELCOME
to all new teachers and students to NICC and South Winneshiek!

WELCOME
to all other new Calmar Residents!
WE'RE GLAD YOU'RE HERE!
